

# We Are StayCaribbean The Caribbean's #1 Choice for Vacation Rentals

## About Us

StayCaribbean is a Caribbean online marketplace for short-term vacation rental properties. The company is founded with the aim of creating a remote rental marketplace for owners looking to rent their properties in the Caribbean...

The website offers its services worldwide for Travellers to book their preferred property throughout the Caribbean, Central and South America providing properties for vacations as well as excursions, car rentals and several holiday related packages.

People looking to rent out their vacation home are provided with the facilities which would enable them to upload their properties with full descriptions, prices, calendars synchronicity. The property owners/managers will have full control of their listings from setting price to liaising with their potential guests who makes enquiries or who have made a reservation.

People who only rent out their property will only pay a commission on each rental booking they receive through the website.

With a wide selection of serviced properties which includes villas, apartments, cottages, cabins, chalets, resorts, lodges, B&Bs which are aimed at allowing Travellers the unique opportunity to live like the locals within their perfect vacation accommodations anywhere in the Caribbean.

StayCaribbean intends to be unchallenged as the Caribbean's largest vacation rental resource. We strive to be the best place to find whole home vacation rentals for Travellers, no matter where they travel to, and we have big plans to continue to expand our rollout to Europe, Asia and beyond.

With a dedicated hardworking team of experts working on expanding the company into new regions, developing new features and services, and standing by to help, we are definitely on our way to becoming your single destination for all your vacation rental needs be it as an owner or as a traveller.

## Our Mission Statement
